please hold up my heart
give me a reason for this empty silence
your here but you seem so far
why did you run away from me
is it because im not as preety as i use to be
ohh like a picture on a wall
should have known that i was bound to fall

so please hold up my heart
give me a reason for this this empty silence
please hold up my heart
darlin i am changin'
but everybody's changin' too

-break music-

when i am weak
i try to always find the best of you and me
mmmm but i will always be the one
who understands you like a picture on the wall
should have known that i was bound to fall
so please hold up my heart
give me a reason for this empty silence
please hold up my heart
darlin i am changin'
but everybody's changin' too

we shared hope
we shared life
we shared kisses by the fire
and i will always be the one who understands you

so please hold up my heart
give me a reason for this empty silence
please hold up my heart
give me a reason for this empty silence
please hold up my heart
darlin i am changin'
but everbody's changin' too

-break-

darlin i am changin'
but everybody's changin' too...
