L.A's fine, the sun shine most of the time  
And the feeling is lay back  
The palm trees grow, and the rents are low  
But you know, I keep thinking about  
Making my way back

I'm Arizona born and raise  
But now a days  
I'm lost between two shores  
L.A's fine, but it ain't home  
Arizona home, but it ain't mine, no more

I'm am, I said  
To no one there  
And no one heard at all night  
Even the chairs  
I am, I cried  
I am, said I  
Am I am lost, and I can't even say why  
Leaving me lonely still

Did you ever read about a girl who dream to be a  
queen  
And then became one  
Well except for the names, and few of the changes  
If you talk about me

The story's the same one

I've got an emptiness deep inside  
And I try and try  
But it won't let me go  
I'm not a girl who likes to swear  
But I'll never care of the sound of being alone

I am, I said  
To no one there  
And no one care at all night  
Even the chair  
I am, I cried  
I am, said I  
And I am lost, and I can't even say why

I am, I cried  
I am, said I  
And I am lost, and I can't even say why  
I am, I say  
I am, I cried  
I am, I say
