Fell out of love  
And hit the ground  
Lookin for something  
That's never been found  
Gave up my heart too many times  
I wish I knew what I'm tryin to find

So tell me, little bird  
All of the good things that you've heard  
Cause I need you, little bird  
To sing me a sweet song  
Ooh..  
Just sing me a sweet song

Well I don't care  
What people say  
Gonna believe in love anyway  
All of my life I've been afraid  
To lose myself in seasons of change

So tell me, little bird  
All of the good things that you've heard  
Cause I need you, little bird  
To sing me a sweet song

So tell me, little bird  
All of the good things you have heard  
Cause I need you, little bird  
To sing me a sweet song  
Ooh...  
Sing me a sweet song  
ooh...

Underneath the willow tree  
Won't you come and sing to me?

So tell me, little bird  
All of the good things you have heard  
Cause I need you, little bird  
To sing me a sweet song

Tell me, little bird

All of the good things you have heard  
Cause I need you, little bird  
To sing me a sweet song

Ooh...  
Sing me a sweet song, a sweet song  
Ooh...  
Sing me a sweet song  
Ooh...
