We are young
And heartache to heartache
We stand
No promises, no demands
Love is a battlefield

You begging me to go
And you're making me stay
Why do you hurt me so bad
It would help me to know
Do I stand in your way
Am I the best thing that you had
Believe me, believe me
I can't tell you why
But I'm trap by your love
And I'm chained to your side

We are young
And heartache to heartache
We stand
No promises, no demands
Love is a battlefield
Ooooh

We are strong
And no one can tell us we're wrong
Searching our hearts for so long
Both of us knowing, knowing, knowing
Love is battlefield
