Will you take me back again?  
You know I'll take you back again  
Open up your heart again  
You know I'll give my up my heart again

Everybody makes mistakes  
Nobody, nobody's perfect  
I know that I made mistakes  
Well nobody, nobody's perfect

So will you meet me in the middle of the fire escape?  
If it's not too late

We'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes, ooh

You never meant a word you said  
I never meant a word I said  
We're hurting from the inside out

And from the outside in

Everybody needs a break  
You know and I know we're worth it  
Just a little give and take  
You and I know we're worth it

So if you meet me in the middle of the fire escape  
If it's not too late

We'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes  
If it's not too late

We'll get out of the ashes  
Why do we have to wait?  
We'll get out of the ashes, ooh
