When you're down, in trouble. And you need some love and care. And nothing, oh nothing is going right. Just close your eyes, and think of me. And soon, I will be there. To brighten up, even your darkest nights. Oh!

You just call, out my name. And you know, wherever I am. I come running, oh yes I will. To see you again. Oh baby! Don't you know 'bout.

Winter, spring, summer, or fall. All you got to do is call. And I be there, yes I will yeah. You've got a friend.

If the sky, above you. Grows dark and full of clouds. And that old, north wind begins to blow. Just keep your head, together. And call my name out loud. And soon, you' ll hear me knocking at your door. Oooh!

You just call, out my name. And you know, wherever I am. I come running running yeah yeah. To see you again. Oh baby! Don't you know 'bout.

Winter, spring, summer, or fall. All you got to do is call. And I be there yes I will. Yeah! Now ain't it good to know that you've got a friend. People can be so cold. They'll hurt you and desert you. They'll take your soul if you let them, but don't you let them.

You just call out my name. And you know, wherever I am. I come running running yeah yeah yeah! To see you again. Oh baby! Don't you know 'bout!

Winter, spring, summer, or fall. All you got to do is call. And I be there yes I will. Yeah! You've got a friend. You've got a friend. Ain't it good to know, you've got a friend. Ain't it good to know, ain't it good to know, ain't it good to know. Oh! You've got a friend. Oh yeah! You've got a friend. Oh baby! You've got a friend. Oh yeah! You've got a friend.
