Music, harmony and rhythm
The magical mystery of
Music, harmony and rhythm
That magical feeling

Oh, when the
Day to day gets me down
I go into my world and
Escape into the sounds

And it gives me strength
So I can carry on
Even when I thought
All the hope was gone

I could carry on, carry on
On and on into the
Music, harmony and rhythm
The magical mystery of
Music, harmony

Into a rhythm
Get into it

Oh, my fantasies become reality
I believe that I can make
A dream come true

And it feels like home
And it feels secure
And I don't have to face the
Feelings that I did before
Anymore, anymore, no

Just more and more into the
Music, harmony and rhythm
The magical mystery of
Music, harmony

Into a rhythm
Get into it

Get into the music, oh
Oh, get into the music, oh
Oh, oh, oh, oh

Music, harmony and rhythm
The magical mystery of
Music, harmony and rhythm
The magical mystery of
Music, harmony and rhythm
The magical mystery of
Music, harmony and rhythm

Oh, it sounds so sweet

Music, harmony and rhythm
The magical mystery of
Music, harmony and rhythm
Ooh, it's in me...
