So low, Fly Thai, Miss Jo, Shouts out to my crew 2-4

Boy's got a brand new toy  
Boy's got a brand new toy, he don't know how to play  
He don't know how to play the game

Uh, what you see is what you get, aha, and I betcha on a dollar I will have your ass by in bed check  
What you get? Safe sex, uh uh, don't shut up or less  
Strictly mess with the best, keep your faith for guests  
Jiggas, right the next when I step on the scene, taking me, takin guess I let that ass in def  
Try to gash yourself, who you tryin' impress? Tatoos on your chest, then your gootchi belt  
To advanced for your ass, put me back on the show, o, truly I felt, you have read your test  
When I see you I just laugh and you scratched out last  
Get your but on to the next, cause your talking for your health

Chorus:

Boy's got a brand new toy, he don't know how to play  
He don't know how to play the game  
Boy's got a brand new toy, he don't know how to play  
He don't know how to play the game

Such a shame, a brand new toy, what's the deal (got to wrip this sh....)  
On to the second verse, aha, and believe I'm comin harder then the first  
Game that you learn is in need of some work, I sugest you rehearse  
Make third base, let your face in the dirt  
But that ass-play is too late to reverse real in this field and this place says birth  
Professional, expert, confessionaly church, hard core, brand coloured live you with a ten  
You will forehand, extended version, extra dollar bill's layin on the persion,

Hit the door man, cause what Iâ€™m survivin, youâ€™re not  
deserving (is she crazy)

Chorus x 1

Such a shame, a brand new toy, whatâ€™s the deal, letâ€™s  
get it crunk

This be the funk you can bump in your trunk, get it  
crunk, get it crunk

This be the funk that make their heads pump, letâ€™s  
get it crunk

This be the funk you can bump in your trunk, get it  
crunk, get it crunk

This be the funk that make their heads pump, letâ€™s  
get it crunk

So low, Fly Thai, Miss Jo, letâ€™s get it crunk

Chorus x 2
