[Roger Troutman]

Baby.. I can give you the world..  
Baby baby baby - even diamonds and pearls  
Do you want it?

[Kid Frost]

Been around the world once, met every girl twice  
Never seen nobody that was so damn tight  
None of them come close to you  
I'm bouts to take you on a rendezvous  
Let me set you out with platinum ice  
Give me all that sugar and spice  
Take a chance with me, roll the dice  
So let's step baby, live the life

[Cameosis]

Baby, you got me feelin all shy  
Got a stomach full of butterflies  
Wanna get down, but not on the first night  
Nigga tight, got five on the gas  
Can I ride with you? Wanna be your Boo  
Like the things you do  
Wanna take it slow when I do the do witchu  
Can't no other girl do what I'm about to do to you  
Way SexyCool

[Roger Troutman]

Baby.. (baby)  
I can give you the world (ooh give you the world)  
Baby baby baby (ooh baby) even diamonds and pearls  
Do you want it?  
Let me lick it up and down (all up and down)  
Let me see you move that body round and round (all  
around)  
Baby now let me know if you're really down (oh really  
down)  
C'mon let me know if you want it (oh yea I want it)

[Kid Frost]

Give you the world, and everything in it  
Diamonds and pearls, my world so exquisite

P&J Polo with the the chain to match  
Cartier no strings attached  
Be my lady I'll rub your back  
Need a Benz? I'll pay for that  
Keep it comin girl, turn me on  
and we gon' sex til the break of dawn

[Cameosis]

It's a match, not a mismatch  
Want you to get attached to the black cat  
I can look into your eyes and see you want that  
I ain't nuttin like the next biatch  
Let me show you where my head at  
Shotgun in an Northstar Cadillac  
Sweet black diamond hit it from the back Jack  
Ooh baby, youse a star  
Break me off a piece of that Kit-Kat bar

[Roger Troutman]

Baby.. (babyyyy)  
I can give you the world (ooh give you the world)  
Baby baby baby (baby baby baby baby) even diamonds  
and pearls  
Do you want it?  
Let me lick it up and down (all up and down)  
Let me see you move that body round and round (all  
around)  
Baby now let me know if you're really down (I'm so  
down)  
C'mon let me know if you want it (yea I want it)

[Cameosis]

You want me, bring it over now  
Take my clothes off Mista Baby hit the ground  
Hear that clappin sound?  
Time for me to break you down  
Be cryin in my nicky now  
Make your head spin round and round  
When I first met you you had a frown  
But look at you now, got a big smile on your face  
Wanna take me place to place  
Dip me down in satin and lace  
Fancy clothes and diamond rings  
are the things that money do  
Cheap wine, Moet, and Cristal  
Apartment houses to the penthouse  
Cover me in fur from the neck to my toes  
While I postpone when the nights is cold  
Dedicate you a cut on the radio  
Bout to put this love thang into cruise control

[Kid Frost]

Give it to me girl damelo  
Penthouse is the Vallagio  
Plushed out with the matchin robes  
Celeb jet when it's time to roll  
Big ball and that's all I know  
V.I.P. that's how I G  
Versace that's all I see  
Me and you we was meant to be  
Do a show bout a quarter to ten  
Take your keys to the Range or Benz  
You can floss, bring all your friends  
Ain't nuttin but a money thing, major ends  
Backstage and it's off the hook  
All my homies is G's and crooks  
Suited up and the party's live  
Diamonds and pearls, won't you step into my world

[Roger Troutman]

Baby.. (baby)  
I can give you the world (come on and give me the  
world)  
Baby baby baby (ooh baby) even diamonds and pearls  
Do you want it?  
Let me lick it up and down  
Let me see you move that body round and round  
Baby now let me know if you're really down  
C'mon let me know if you want it

[Kid Frost speaking over last four lines]

Yeah  
This record right here is dedicated to  
one of the biggest influences on hip-hop, and R&B  
The late great, Roger Troutman  
Rest in Peace homey, yeah..

[Cameosis]

You can show me that you want it  
If you put some diamonds on it  
I will let you come into my world..  
(diamonds and pearls)  
You can show me that you awnt it  
If you put some diamonds on it  
I will let you come into my world..  
(diamonds and pearls)  
Ooh yeah

[Roger Troutman]

Baby!
