Everytime you go, you take a peace of my heart
(Hahah)
(yes yes ya, and you don't stop) You don't stop(yes
yes ya, and you don't stop) Rock on
(yes yes ya, and you don't stop) Everytime you go
(you don't stop)
(yes yes ya, and you don't stop)

Rap 1:

My eyes adore you, you must be having said I get a
chill like a child,
When I think of the times we spent in eachothers arms
We can take on the world, and noone can harm my
loveJust cryes out like a dove, to be above all the pain,
and yet to remain was a game
That I can't explain, I wish you'd open your heart
and let your mind do the same
But now you've run away, couldn't stay another day,
To many problems in your head, just wouldn't fade
away
You was the first to tell me right from wrong, I'm cold
and alone
And plus noone to share my song
When I'm with you, birds over feather, Since you
gone in a nice stormy weather
I pray to God each and every day, that you'll stay and
never run away, 'cause

Chorus:

Everytime you go away, you take a peace of me with
you
Everytime you go away, away, you take a peace of me
with you

Bridge:

Everytime you go, you take a peace of me with you,
with you

Yes yes ya, and you don't stop

Yes yes ya, and you don't stop

Rap 2:

Back to the matter of hand, here comes the
masterplan, to be replace by another
You betreat her like a step and stone and move on, and
then you tried to get even and find another lover
Why must we get burn just to learn?
And in the game of life, each love is a lesson
I take my feathers and touch them to my back, so when
I blow on the outside
You know what Iâ€™m stressin, I never knew a love like
this I confest
No matter what I say or do, I regret
Inside my heart you made a brighter day
So please never take your lve away

Chorus:

Everytime you go away, (everytime) you take a peace
of me with you (you go)
Everytime you go away, (everytime) away, you take a
peace of me with you

Bridge:

Everytime you go, you take a peace of me with you,
with you (you take a peacwe of my heart)
Everytime you go (thatâ€™s right) , you take a peace of
me with you (so alone every day), with you (so much
pain when you go away, uh cÂ€™mon)

Chorus:

Everytime you go away, you take a peace of me with
you (everytime you go)
Everytime you go away, away, you take a peace of me
with you
Everytime you go
