2-4 Family  
Stay (Jays D-Style remix)

Stay  
One More Day  
Good job is taken to town  
Stay, dont runaway, please lord just one more day  
Dont be walkin away

Uh, thats right (x4)

Fly Thai :  
It be I the Fly Thai , with the slanted eyes ,uh  
When Im high to decide to lieDont cry cause your guy  
gotta fly ,bye byeShouldve known hed be leavin you  
soonTakin trips to the roomWhile your home in the  
afternoon  
Late night keepin while you sleepin  
Chiefin like an IndianBlowin smoke like an eng.  
And Its all about the benjamins  
Sippin Jink Mu-sense  
When its time to take it inAnd post it up in a playas  
hand  
Gotta say ,Its still the way ,No other way  
From day to day , its still about the fuckin pay  
Paper chase , we can chase the game  
Dont come into my face if you cant get glame  
Now you feelin ashame , keep poppin change

Chorus:  
Stay, dont runaway, please lord just one more day  
Dont be walkin away  
Stay, dont runaway, please lord just one more day  
Dont be walkin away

LilBit :  
LilBit that southern chick ,still runnin shit  
Shake your hoes dont play me slick  
When I flip the script ,youll get your ass wipped  
Got shit from the Nigga on my tips  
Spread lies off his lips , and surprised that you miss  
When you saw me with the Ice on the wrist

Saw he actually kisses me with the bullshit try to push it  
Jealousy , Jealousy , Got your ass dismissed

JD :

Uh ,uh ,uh

I be the J D , this be my remix

Got beats by the pound , call me for your fix

So long , you held me back

Told me my tracks was wack

Now I got mad props too, we wont stop

Chorus x 1

Jazz :

Now we bubblin , bubblin , bubblin like Volcano

This shit hits your chest hot like you was drinkin

dranosano sano , Love me and say no mo

snap you to the floor show you what we got in store

this be the one imga six foot drip

the one who represents the Arm , a Leg , a Leg , Arm to  
the Head

I like your punk ass dead

O matter fact Ill let you live instead

So you can bear witnessTo the lyrical fitnessSo pay

close attention to the chant as I spit this

Coming from the Fam known as the 24So all you party  
people come jam on the dance floor

Chorus x 2

(And then comes the superb finish from J.D.dont miss it.

All I can tell you that he isnt signingor rappinjust playin  
instrument with his mouth)
