You've come so far
Just to say that you love me
Oh i know, yes i know it
I'd like to hear you say it
Everyday, everyday, everyday, everyday

When i brush my teeth
Oh when you drive the car
Sweep me off my feet
Take me very far away
Far away, everyday, everyday

Please take me high on your mighty wings
You know i'd really like to fly
I'm a leaf in the sky
Your love is the only love i like
Love i like, love i like, love i like

When i brush my teeth
Oh when you drive the car
Sweep me off my feet
Take me very far away, far away,
Everyday, everyday, everyday....

When you're going up
And i'm sinking down
Save me everytime
Never let me drown
When i go to sleep
Would you drive the car
And sweep me off my feet
Take me very far away, far way
Everyday, everyday

Every sunday, monday,
Tuesday, wednesday,
Thursday, friday
Of every June of January, October
Love me like it's my birthday...

Everyday, everyday, everyday.....
