I like u before i knew your face  
this love will be worth away  
I say yeah.. Oh yeah..

We love God, His our number one  
We gave each other back but He said go on  
I say yeah.. Oh yeah..

And I know that you love me  
'Coz I love you to death  
And its so overwhelming but we ain't seen nothing yet  
And I know that you love me  
'Coz I love you way before  
As we think about for everyday, I love you some more...

Mistakes could make us strong  
Those purpose onward ever could go wrong  
I say yeah.. Oh yeah..

Did you find any women who could understand  
I want to love you with the best I am  
I say yeah.. Oh yeah..

And I know that you love me  
'Coz I love you to death  
And its so overwhelming but we ain't seen nothing yet  
And I know that you love me  
'Coz I love you way before  
As we think about for everyday, I love you some more...

Can't wait 'till someday  
I'll be yours, if you'll be mine  
Can't wait 'till someday  
To see you.. proud..

And I know that you love me  
'Coz I love you to death  
And its so overwhelming but we ain't seen nothing yet  
And I know that you love me  
'Coz I love you way before  
As we talk about for everyday, I love you some more...
