From the darkness came the light  
out of nothingness You made life  
For before the world You were, bless Your name  
forevermore  
Lord according to Your plan, You created every man  
Just to glorify You and, bless Your name forevermore

Then into the world You came, by the power of Your  
name  
and You washed my sins away, bless Your name  
forevermore  
so I come before your throne, through no goodness of  
my own  
and I worship you alone, bless You name forevermore

I will bless Your name  
I will bless Your name  
I will bless Your name forevermore  
I will bless Your name  
I will bless Your name  
I will bless Your name forevermore

choir  
I will bless Your name  
I will bless Your name  
I will bless Your name  
forevermore...  
I will bless Your name  
I will bless Your name  
I will bless Your name  
forevermore.....(repeat 2 more times)
