#### VERSE 1

Whenever I consider just where God brought me from  
The life of emptiness I lived without God's son  
My heart cries "hallelujah" cause the savior rescued  
me  
Without his precious love where would I be?

#### CHORUS

I would be lost,  
I would be drifting like a ship on stormy seas.  
Without the sacrifice that Jesus life affords,  
I would be dead within my sin  
Forever longing to be free  
If it had not been for the goodness of the Lord.  
If it had not been for the goodness of the Lord.

#### VERSE 2

Since the day he saved me, just look where I've come  
from  
I'm now being made into the likeness of God's Son  
I have this blessed assurance, cause the savior  
rescued me  
Without his precious love where would I be?

#### CHORUS

I would be lost,  
I would be drifting like a ship on stormy seas.  
Without the sacrifice that Jesus life affords,  
I would be dead within my sin  
Forever longing to be free  
If it had not been for the goodness of the Lord.  
If it had not been for the goodness of the Lord.

#### BRIDGE

Jesus brought me out of darkness, into his marvelous  
light  
and placed me on a solid rock to stay  
I'm now walking with my savior and I'm fighting the  
"good fight"  
Because of Jesus I can truly say...

CHORUS

I would be lost,  
I would be drifting like a ship on stormy seas.  
Without the sacrifice that Jesus life affords,  
I would be dead within my sin  
Forever longing to be free  
If it had not been for the goodness of the Lord.  
If it had not been for the goodness of the Lord.

The goodness of the Lord,  
The goodness of the Lord,  
The goodness of the Lord,  
He saved me, he raised me, he kept me  
If it had not been for the goodness of the Lord  
He saved me, he raised me, he kept me  
If it had not been for the goodness of  
The Lord, The Lord, The Lord, The Lord  
If it had not been for the goodness of the Lord.
