Verse 1:

Cesar called a census; Rome flexed her mighty hand
Yet through this pagan empire God was working out
His plan
Shepherds on a hillside; were startled by a light
they didn't expect a miracle to happen on that night

Chorus:

God was working out His plan
ev'ry promise He fulfilled all according to His will
God was working out His plan
and against His pow'r no earthly foe can stand
though the world still tried to stop Him and they said
Christ never came
when it seems that evil triumphed and then fought
against His name
still by His almighty hand God was working out His plan

Verse 2

Joseph came with Mary to Bethlehem that day
the inn was filled with people but God still made a way

He is always working, His purpose to fulfill
as He worked that Christmas day our God is working
still

Chorus:

God is working out His plan
ev'ry promise He fulfills all according to His will
God is working out His plan
and against His pow'r no earthly foe can stand
though the world still tries to stop Him and they say
Christ never came
when it seems that evil triumphs and then fight against
His name
still by His almighty hand God is working out His plan

Bridge:

Through the years our God has never changed
He's the mighty king and He forever reigns
Still by His Almighty hand God is working out His plan

Though the world still tries to stop Him and they say
Christ never came
when it seems that evil triumphs and then fight against
His name
still by His almighty hand God is working out His plan
