Verse 1:

I've been through many hard trials,  
I couldn't explain it, no, no, I didn't know why,  
why I had to go through so much pain;  
but praise the Lord, today there is healing in His name.

Chorus 1:

I made it, so thankful,  
I never could have made it this far without the Lord.

I made it, so thankful,  
I never could have made it this far without the Lord.

Verse 2:

So you've been hurt, feel so abused,  
tried to do the right things, but you still got used.  
I know you're wondering why so much pain,  
the Lord wants you to know there's healing in His name.

Chorus 1

Chorus 2:

Through sickness (by His stripes I've been healed).  
Through sorrow (He was my comfort and all my  
strength).  
Through heartache (Jesus healed all of my sins).  
Depression (now I can sing).

Chorus 1
