Solo 1

I've lost some good friends along life's way
Some loved ones departed in Heaven to stay
But thank God I didn't lose everything
I've lost faith in people who said they care
In the time of my crisis
oehey were never there
But in my disappointment in my season of pain
One thing never wavered one thing never changed

CHORUS

I never lost my hope
I never lost my joy
I never lost my faith
But Most of all
I never lost my praise

CHOIR

My praise, still here, my praise still----here

Solo 2

I've let some blessings slip away
And I lost my focus and went astray
But thank God I didn't lose everything
I've lost possessions that were so dear
And I've lost some battles by walking in fear
But in the midst of my struggle, in my season of pain
One thing never wavered, one thing never changed

CHORUS(CHOIR)

repeat

Praise, praise, praise, praise
Most of all
I never lost my praise

CHORUS

My praise, still here, my praise, still here (2X)

CHORUS
