"I'll Sing Of Your Love"

Caught up in Your mercy
Captured by Your grace
Taken by Your faithfulness
Your love will never change
Since my eyes were opened
I'm lost in Your embrace

With all of my heart
I'll sing of Your love
I'll sing of Your love
With all of my heart
I'll sing of Your love
I'll sing of Your love
I'll lift my voice in praises
And glorify Your name
I'll sing I'll sing of Your love

Higher than any mountain
Deeper than any sea
Wider than any ocean
Is Your love for me
