Verse 1

You have pardoned my transgressions
You have sanctified my soul
You have honored my confession.
By Your blood Lord, I've been made whole.

verse 2

Lord, you prosper and protect me
And your blessings ever flow.
You have filled me with your glory.
You have made me as white as snow.

Chorus

I am saved by Your mercy
I've been transformed by your love.
You're my glory and the lifter of my head.
Strong deliverer,
You'll fight my battles in my stead.
You will preserve me by your mercy.
Hallelujah! I am saved

Bridge

Through your blood Lord, I am forgiven
and by Your grace, I've been set free.

Chorus

vamp

Hallelujah! Hallelujah (I am saved)
Hallelujah! (my sins are washed away) Hallelujah
Hallelujah! (He's in my heart) Hallelujah (He's in my
heart to stay)
Hallelujah! Hallelujah

Ending

Hallelujah! I am saved!
