How's about your company this evenin'?  
Won't you say that you are free?  
Take you out to somewhere really special  
Oh, won't you come along with me?  
From what I've heard them say, the music that they  
play is nothin' like you've ever heard before  
Once you get to dancin' you can stop your feet 'cause  
the rhythm keeps in time  
What do you say now?  
Are you ready or not?  
It's only up the street  
Everybody's dancin' and everybody's on the beat  
I'm a-beggin' you now, it's where we both could be  
Everybody's dancin' and everybody's on the beat  
Are you ready or not?  
It's only up the street  
Everybody's dancin' and everybody's on the beat

Say that you'll accept this invitation  
Oh, won't you say you'll come along?  
Music can give lovers inspiration  
It's just a place where we could go  
Ain't nobody has a care 'cause there's music in the air  
It's nothin' like you've ever seen before  
People dancin' all night long  
Won't you say you've got the time?  
Wanna go there?  
Are you ready or not?  
It's only up the street  
Everybody's dancin' and everybody's on the beat  
Are you ready or not?  
It's where we both could be  
Everybody's dancin' and everybody's on the beat  
Wouldn't you say, you and I should go together  
Wouldn't you say, it's for everyone to see  
Wouldn't you say, baby why don't you come along with  
me

Are you ready or not?

I'm a-beggin' you now

Are you ready or not?

I'm a-beggin' you now

Are you ready or not?

It's only up the street

I'm a-beggin' you now, it's where we both could be

How about your company this evenin'?

Won't you say that you are free?

Take you out to somewhere really special

Oh, won't you come along with me?

From what I've heard them say, the music that they

Everybody's dancin' and everybody's on the beat

I'm a-beggin' you now, it's where we both could be

Everybody's dancin' and everybody's on the beat

Are you ready or not?

Everybody's dancin' and everybody's on the beat

Are you ready or not?

It's only up the street

Everybody's dancin' and everybody's on the beat

I'm a-beggin' you now, it's where we both could be

Everybody's dancin' and everybody's on the beat

Are you ready or not?

It's only up the street

Everybody's dancin' and everybody's on the beat

I'm a-beggin' you now, it's where we both could be

Everybody's dancin' and everybody's on the beat
