A Man this Lonely
A Man this BLue
A Man whose world has been torn in two
Needs somebody
With a heart that's true
A Man this Lonely
Needs a woman like you

Two arms this empty
Need someone to hold
A Man this lonely needs somewhere to go
When the nights go on forever and the days
Do too
Oh a man this lonely
Needs a woman like you

I lost hope i was so far down
Here you come turning all that around
I've come to think of love as a lie
All that's on my mind now
Is you by my side

Oh a man this lonely
A man this blue
A man whose world has been torn in two
Oh I need somebody
With a heart that's true
Oh a man this lonely
Needs a woman like you
A man this lonely
Needs a woman like you
