I saw the light, I've been baptized  
By the fire in your touch and the flame in your eyes  
I'm born to love again  
I'm a brand new man

Well, the whole town's talking  
'Bout the line I'm walking  
That leads right to your door  
Oh how I used to roam  
I was a rolling stone

I used to have a wild side  
They say a country mile wide  
I'd burn those beer joints down  
That's all changed now  
You turned my life around

I saw the light, I've been baptized  
By the fire in your touch and the flame in your eyes  
I'm born to love again  
I'm a brand new man

I used to love 'em and leave 'em  
Oh, I'd brag about my freedom  
How no one could tie me down  
Then I met you  
Now my heart beats true

Baby, you and me together  
Feels more like forever  
Than anything I've ever known  
We're right on track  
I ain't lookin' back

Yeah, I saw the light, I've been baptized  
By the fire in your touch and the flame in your eyes  
I'm born to love again  
I'm a brand new man

I saw the light, I've been baptized  
By the fire in your touch and the flame in your eyes  
I'm born to love again

I'm a brand new man

Yeah, I saw the light, I've been baptized  
By the fire in your touch and the flame in your eyes  
I'm born to love again  
I'm a brand new man  
I'm born to love again  
I'm a brand new man
