Yea, they oughta make a brand new whiskey
And give it a woman's name
A man needs somethin' to hold onto
(Uh)
When a goodbye hits him like a hurricane
(Uh)

Make it sweet, as sweet as her lips
Intoxicating as her kiss
Somethin' special like champagne
Yea, they oughta make a brand new whiskey
And give it a woman's name

(Ah)
Leavin's the reason I'm drinkin'
Oh, I've never felt so alone
Night and day I stay stoned
Hopin' to forget she's gone

I never thought she'd do me so dirty
Together forever she promised me
She took her promise and left a memory
The day that woman walked down on me

Yea, they oughta make a brand new whiskey
And give it a woman's name
A man needs somethin' to hold onto
(Ooo)
When a goodbye hits him like a hurricane
(Ooo)

Make it sweet, as sweet as her lips
Intoxicating as her kiss
Somethin' special like champagne
Yea, they oughta make a brand new whiskey
And give it a woman's name

Yea, they oughta make a brand new whiskey
And give it a woman's name
A man needs somethin' to hold onto
(Ooo)
When a goodbye hits him like a hurricane

(Ooo)

Make it sweet, as sweet as her hips
Intoxicating as her kiss
Somethin' special like champagne
Yea, they oughta make a brand new whiskey
And give it a woman's name

Yea, they oughta make a brand new whiskey
And give it a woman's name
