I forget where I'm goin' in my own house  
I got myself in this, I'll get myself out  
I talk out loud, at the top of my voice I sing  
Whoa keep the faith, see what tomorrow brings

I can't get over you  
Try as I may oh it no use  
My heart just cant leave you alone  
My mind wont believe you're gone  
I can't get over you

I got a front row seat here to a fool's masquerade  
And that fool in the mirror keeps sayin' I'm doin' ok

I stare at that door that you walked out  
It hits me hard and leaves no doubt

I can't get over you  
Try as I may oh it no use  
My heart just cant leave you alone  
My mind wont believe you're gone  
I can't get over you

I can't get over you  
Try as I may oh it no use  
My heart just cant leave you alone  
My mind wont believe you're gone  
I can't get over you
