Corina, Corina
Corina can you dance with me
Corina can you dance with me
Corina can you dance

Corina, Corina where you been so long
Corina, Corina where you been so long
I ain't had no lovin' since you've been gone

Well I love Corina, tell the world I do
I love Corina, tell the world I do
Just a little more loving let your heart be true

Corina, Corina where'd you stay last night
Corina, Corina where'd you stay last night
Come home this mornin' the sun was shinin' bright

--- Instrumental ---

Corina, Corina is it true what they say
Corina, Corina is it true what they say
That you're growing colder more and more every day

Corina can you dance with me
Corina can you dance with me
Corina can you dance with me
Corina can you dance with me

Corina can you dance

Well I left Corina far across the sea
I left Corina way across the sea
You wouldn't write no letters,
She wouldn't talk to me

--- Instrumental ---

Corina, Corina be a pal of mine
Corina, Corina be a pal of mine
Oh, you got me walkin' just to keep from cryin'

Corina, Corina where you been so long

Corina, Corina where you been so long
I ain't had no lovin' since you've been gone

Corina, Corina where you been so long
Corina, Corina where you been so long
I ain't had no lovin' since you've been gone

Corina can you dance with me
Corina can you dance with me
Corina can you dance with me
Corina can you dance with me
Corina can you dance...
