What's it like, girl
To have somebody love you
With a love
Too good to be true
You oughta know
Feels good, don't it

How 'bout those lonely nights
You used to pray
Something like this
Would come your way
Thank your lucky stars
Lucky's what we are
Feels good, don't it

Some people go through life
Never knowin'
What love is
Or where it's goin'
Me and you, girl we just walked up on it
Feels good, don't it

You and me girl
We're one of life's little wonders
We go together
Like lightnin' and thunder
Sky-high on fire
Feels good, don't it

Some people go through life
Never knowin'
What love is
Or where it's goin'
Me and you, girl we just walked up on it
Feels good, don't it, oh

Yeah, some people go through life
Never knowin'
What love is
Or where it's goin'
Me and you, girl we just walked up on it
Feels good, don't it, yeah

Hmm
