Say things to me like a cowgirl would
And I'll do tricks for you like a cowboy should
Oh, you look romantic layin' in the hay
And I need you tonight in a new kinda way

When you look at me with those eyes
Oh, it makes me start to fantasize

Do it to me like I know you could
So I can do it to you, baby, like a cowboy should

Ridin' the range I think of you
I dig your chili and you know it's true
Yeah, I make big money, put it in the bank
That longhorn caddy got a great big tank

Oh, do it to me like I know you could
And I can do it to you, baby, like a cowboy should

Oh, you're the kinda woman who's above the rest
Nothing for me, honey, but the best
You say you need a fella who really can
Do it to you good like a cowboy man

Got a massive wardrobe of cowboy clothes
From the top of my head to the tip of my toes
Ah, you look so good in my hat with fringe on it
So put on my boots doggone it

Yeah, do it to me like I know you could
So I can do it to you, baby, like a cowboy should

Do it to me, baby, like I know you can
And I can do it to you, honey, like a good cowboy
should

I said
Yeah, let's get it off, honey, come on
[Incomprehensible]
[Incomprehensible] cowboy goes round and round
