Some folks call me crazy, my momma call me 'hon
And dependin' on the mood you're in, I might be either
one

Hey, I get up and I go to work and I got to work some
more

When I get home I take it off and I throw it on the floor

I'm a country boy and I'm a rockin' roller
Like a little crown in my Coca-Cola
Say a little prayer for all the soldiers
Fightin' for the USA

I never was captain for the football team
You ain't never been a prom queen
We're just us and that's okay
If I got you well it's a good day
Good day to be me

Hey, you weren't wearin' makeup baby
On the night you said, "You would"
It's the funny things that I remember when I'm feelin'
good
A dollar in my pocket and a catfish on the line
A song about a simple love that's stronger than the
pines

I'm a country boy and I'm a rockin' roller
Like a little crown in my Coca-Cola
Say a little prayer for all the soldiers
Fightin' for the USA

I never was captain for the football team
You ain't never been a prom queen
We're just us and that's okay
If I got you well it's a good day
Good day to be me

When I see ol' glory wavin' when the music starts
I take my hat off of my head and put it on my heart
yeah

'Cause I'm a country boy and I'm a rockin' roller

Like a little crown in my Coca-Cola
Say a little prayer for all the soldiers
Fightin' for the USA

I never was captain for the football team
You ain't never been a prom queen
We're just us and that's okay
If I got you well it's a good day
Good day to be me

Yeah, well I got you, well it's a good day, baby
Good day to be me
Yeah, well I got you, well it's a good day, baby
