Some girls go to church on Sunday
Live life by the golden rule
You got girls gonna graduate one day
Some become louder from party school

Some they walk the straight and narrow
Some girls, they just don't care
Good girls go to heaven
Bad girls go everywhere

Some girls are into heavy metal
Dance with the devil everywhere they go
Others of 'em cut a rug to the fiddle
Dance to the rhythm of the Cotton Eyed Joe

Some they walk the straight and narrow
Some girls, they just don't care
But good girls go to heaven
Bad girls go everywhere

Miss High Fullutin' likes to sip fine champagne
Prim and proper and drippin' in diamond rings
Little sister wears high heels and blue jeans
A long neck drinkin' certified wild thing

Some they walk the straight and narrow
Some girls, they just don't care
Good girls go to heaven
Bad girls go everywhere

Good girls go to heaven
Bad girls go everywhere
