Some say a holy war is comin'  
Gonna be the end of mortal man  
There's a TV preacher sayin'  
Armageddon is at hand  
Sayin' the Jews, the gays, the junkies  
The politicians, the infidels  
Have conjured up the devil  
Upon wide the gates of Hell

I turn on the TV  
Lord, I can't believe my eyes  
Oh, terror walks the streets  
While a million mothers cry  
Christians pray to Jesus  
Lord help us if You can  
Send Gabriel and His legions  
To defend His promised land

They say a holy war is comin'  
Gonna be the end of mortal man  
There's a TV preacher sayin'  
Armageddon is at hand  
Sayin' the Jews, the gays, the junkies  
The politicians, the infidels  
Have conjured up the devil  
Upon wide the gates of Hell

All its prophets lead  
While the blind sheep they follow  
The path to damnation  
With no future, no tomorrow  
Justice she may be blind  
Tall and proud she marches on  
Judgment day is coming  
God himself wrote that in stone

They say a holy war is comin'  
Gonna be the end of mortal man  
There's a TV preacher sayin'  
Armageddon is at hand

Holy war

Holy war

They said fire rained down from Heaven  
On the towers of Babylon  
Oh, the innocent, the sinners  
They all died as one  
Now victory will be mine  
All feeble and good say  
But in the end and in its own time  
Righteousness will have its day

They say a holy war is comin'  
Gonna be the end of mortal man  
There's a TV preacher sayin'  
Armageddon is at hand  
They say the Jews, the gays, the junkies  
The politicians, the infidels  
Have conjured up the devil  
Upon wide the gates of Hell

They say a holy war is comin'  
Gonna be the end of mortal man  
There's a TV preacher sayin'  
Armageddon is at hand  
They say the Jews, the gays, the junkies  
The politicians, the infidels  
Have conjured up the devil  
Upon wide the gates of Hell

Holy war  
Holy war  
Holy war
