I keep thinkin' any minute you'll be comin' home honey
I ain't seen nothin' of you in a month of Sundays
Tell me, how long gone are you gonna be?

All you said was you had to get goin'
Oh, but baby I wouldn't mind knowin' just
How long gone are you gonna be?

How am I supposed to make any plans?
When I still don't even understand
If you're ever gonna come back home to me
Tell me please, how long gone are you gonna be?

Maybe I didn't pay enough attention
But I do believe you forgot to mention
Just how long gone are you gonna be?

The phone ain't ringin' 'cause you ain't callin'
I ain't been hearin' your footsteps fallin'
Tell me, how long gone are you gonna be?

Well, how am I supposed to make any plans?
When I still don't even understand
If you're ever gonna come back home to me
Tell me please, how long gone are you gonna be?

Yeah, how am I supposed to make any plans?
When I still don't even understand
If you're ever gonna come back home to me
Tell me please, how long gone are you gonna be?
Tell me, how long gone are you gonna be?
