(ronnie dunn/janine dunn/dean dillon)Hello heartache
who let you in I swore the last time never again
Back together just you and me
Where's you old friend mr.
misery I went and did it I dropped my guard I fell in and I
fell hard
Now she's sayin' she's found someone
new
How could I have been such a fool
Oh close the door turn out the lights draw the curtain
I'll get over her in time it's gonna take some hurtin'
I tell myself I told you so as I fall apart
I can't blame love
But I'll never forgive my heart
Oh close the door turn out the lights draw the curtain
I'll get over her in time it's gonna take some hurtin'
I tell myself I told you so as I fall apart
I can't blame love
But I'll never forgive my heart
I can't blame love
But I'll never forgive my heart
