If you see him, tell him I wish him well
How am I doing? Well, sometimes is hard to tell
I still miss him more than ever but please don't say a
word
If you see him, if you see him

If you see her tell her I'm doing fine
And if you want to say that I think of her from time to
time
Ask her if she ever wonders where we both went wrong
If you see her if you see her

I still want her, I still need him so
I don't know why we let each other go
If you see her tell her the light's still on for her
Nothing's changed deep down the fire still burns for
him

And even if it takes forever, say I'll still be here
If you see him, if you see her
If you see him, if you see her
