v1

if you see him tell him i wish him well. how'm i doin?
well sometimes its hard to tell. i still miss him more
than ever, but please don't say a word if you see him.
oh, if you see him.

v2

if you see her, tell her I'm doin' fine. and if you want to,
say that i think of her from time to time. ask her if she
ever wonders where we both went wrong. if you see
her. oh, if you see her.

chorus

oh i, still want her. oh, i still need him so. oh, i don't
know why we let each other go.

v3

if you see her, tell her the lights still on for her.
nothings changed. heat by the fire still burns for him.
and even if it takes forever, say i still believe. if you see
him..... if you see her. if you see him.... if you see her.

music fades
