Missing You  
Missing You  
Missing You  
Missing You

Every time I think of you  
I always catch my breath  
And I'm still standing here  
And your miles away  
And I'm wondering why you left

And there's a storm that's raging  
Through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile

I spend my time thinking about you  
And it's almost driving me wild  
And there's a heart that's breaking  
Down this long distance line tonight

I ain't missing you  
Since you've been gone away  
I ain't missing you  
No matter what I might say

There's a message in the wire  
And I'm sending you this signal tonight  
You don't know how desperate I've become  
And it looks like I'm losing this fight

In your world I have no meaning  
I try so hard to understand  
It's my heart that's breaking  
Down this long distance line tonight

I ain't missing you  
Since you've been gone away  
I ain't missing you  
No matter what my friends say

There's a message that I'm sending out

Like a telegraph to your soul  
And if I can't bridge this distance  
Stop this heartbreak overload

I ain't missing you  
Since you've been gone away  
I ain't missing you  
No mater what my friends say

I ain't missing you  
I ain't missing you  
I ain't missing you  
I ain't missing you
