I started my day with Corona  
Hopin' it'd help me get over  
The night that you left  
But it didn't help  
So I moved on to tequila  
Built a pyramid up to the ceiling  
Ten glasses high  
But I can still hear you sayin' goodbye

It's gonna take more than a margarita  
More than a shooter  
To blow your memory away  
I still need ya  
I'm hurtin' without you  
Even when I'm feelin' no pain

Well, tonight I'm the life of the party  
Jokin' about my broken heart  
But it's easy to see  
The joke's on me  
That waitress just asked how I want it  
With or without the salt on it  
I shook my head  
Either way ain't gonna make me forget

It's gonna take more than a margarita

More than a shooter  
To blow your memory away  
I still need ya  
I'm hurtin' without you  
Even when I'm feelin' no pain

It's gonna take more than a margarita  
More than a shooter  
To blow your memory away  
I still need ya  
I'm hurtin' without you  
Even when I'm feelin' no pain

It's gonna take more than a margarita  
More than a shooter

To blow your memory away  
I still need ya  
I'm hurtin' without you  
Even when I'm feelin' no pain

It's gonna take more than a margarita  
More than a shooter  
To blow your memory away  
I still need ya  
I'm hurtin' without you  
Even when I'm feelin' no pain
