You picked me up, you shot  
me down  
You're stepping out all over  
town  
Drove me back to drinking in  
this bar  
I found myself a brand new  
friend  
I'm headed that road again  
Working on my next broken  
heart  
Happy or sad, it's hard to tell  
You taught me how to hurt  
so well  
But when it comes to love  
I know my part  
I'll play this game that I can't  
win  
I'll be somebody's fool again  
Working on my next broken  
heart  
I thought all along you'd  
Be the death of me  
I met one tonight who wants  
What's left of me  
I've seen that look before  
She'll tear my world apart  
I'm working on my next  
broken heart  
I thought all along you'd  
Be the death of me  
I met one tonight who wants  
What's left of me  
I've seen that look before  
She'll tear my world apart  
I'm working on my next  
broken heart  
I'm working on my next  
broken heart  
I'm working on my next  
broken heart
