I was raised off of Rural Route 3
Out past where the blacktop ends
We'd walk to church on Sunday morning
Race barefoot back to Johnsons' fence
That's where I first saw Mary
On that roadside pickin' blackberries
That summer I turned a corner in my soul
Down that red dirt road

It's where I drank my first beer
It's where I found Jesus
Where I wrecked my first car
I tore it all to pieces
I learned the path to heaven is for the sinners and
believers
Learned that happiness on Earth ain't just for high
achievers
I've learned
I've come to know
There's life at both ends
Of that red dirt road

Her daddy didn't like me much
With my shackled up GTO
I'd sneak out in the middle of the night
Throw rocks at her bedroom window
We'd turn out the headlights
Drive by the moonlight
Talk about what the future might hold
Down that red dirt road
It's where I drank my first beer
It's where I found Jesus
Where I wrecked my first car
I tore it all to pieces
I learned the path to heaven is for the sinners and
believers
Learned that happiness on Earth ain't just for high
achievers
I've learned
I've come to know
There's life at both ends
Of that red dirt road

I went out into the world,
And I came back in
I lost Mary,
Oh I got her back again
And driving home tonight feels like I've found a long
lost friend

It's where I drank my first beer
It's where I found Jesus
Where I wrecked my first car
I tore it all to pieces
I learned the path to heaven for the sinners and
believers
Learned that happiness on Earth ain't just for high
achievers
I've learned
I've come to know
There's life at both ends
Of that red dirt road
