If you really want know
she comes here a lot
she just loves to hear the music and dance
k-13 is her favorite song
if you play it you might have a chance
tonight shes only sipping white wine
she is friendly and fun loving most of the time

chorus:

but dont ask her on a straight tequila night
she'll start thinking about him
and ready to fight
blames her broken heart on every man in sight
on a straight tequila night

heres a glass of champagne
some quaters and change
maybe you can turn her love life around
and she wont need the song or the light anymore
to shoot that old memory down
just remember her heart is on a man
if you ever come back to see her again

chorus (X4.....)
