Yeah, I've been hurt and I've been blue
And I've been thinkin' 'bout the changes love has put
me through
I've told myself it's got to end
I've had enough and I ain't goin' back again

I've watched 'em come, I've watched 'em go
Six, seven, eight and I can still say no
And then tonight you came along
And only a fool would wanna be that strong

Temptation no. 9
Make a man wanna cross that line
Face to face with a chance like this
There's only so much that a man can resist, yeah

I walked alone, I played it safe
Tryin' not to count the times I walked away
'Cause when you love, love goes wrong
A broken heart just seems too much to gamble on

I first saw you, I had to think
Oh, another pretty woman just what I don't need
But when I look into your eyes
Hey, I see somethin' makes me wanna roll the dice

Temptation no. 9
Make a man wanna cross that line
Face to face with a chance like this
There's only so much that a man can resist, yeah

Ooh, you got it shakin'
Ooh, there's no mistakin'
You're the next trip that I'll be takin'

Temptation no. 9
Make a man wanna cross that line
Face to face with a chance like this
There's only so much that a man can resist, yeah

Temptation no. 9
Make a man wanna cross that line

Face to face with a chance like this
There's only so much that a man can resist, yeah
