Yeah, I've been hurt and I've been blue  
And I've been thinkin' 'bout the changes love has put  
me through  
I've told myself it's got to end  
I've had enough and I ain't goin' back again

I've watched 'em come, I've watched 'em go  
Six, seven, eight and I can still say no  
And then tonight you came along  
And only a fool would wanna be that strong

Temptation no. 9  
Make a man wanna cross that line  
Face to face with a chance like this  
There's only so much that a man can resist, yeah

I walked alone, I played it safe  
Tryin' not to count the times I walked away  
'Cause when you love, love goes wrong  
A broken heart just seems too much to gamble on

I first saw you, I had to think  
Oh, another pretty woman just what I don't need  
But when I look into your eyes  
Hey, I see somethin' makes me wanna roll the dice

Temptation no. 9  
Make a man wanna cross that line  
Face to face with a chance like this  
There's only so much that a man can resist, yeah

Ooh, you got it shakin'  
Ooh, there's no mistakin'  
You're the next trip that I'll be takin'

Temptation no. 9  
Make a man wanna cross that line  
Face to face with a chance like this  
There's only so much that a man can resist, yeah

Temptation no. 9  
Make a man wanna cross that line

Face to face with a chance like this  
There's only so much that a man can resist, yeah
