Lipstick letter 'cross the mirror this morning
Said, "Good-bye baby"
You left without warning
Like a thief in the night
You ran away with my heart

I can't believe my eyes
Must be a bad dream
You always said we had a good thing
You never once let on
We were falling apart

That ain't no way to go
Girl, it just ain't right
Don't you think that I deserve
To hear you say goodbye?

That ain't no way to go
Was it all a lie?
After all this time
That ain't no way to go

Getting nowhere
I'm tired of thinking
Guess I'll do a little
Wishful drinking
Make a whiskey wish upon a star

Train whistle blowing down the tracks
Lonesome sound says
She ain't coming back
It's such a cold blow
From out of the dark

That ain't no way to go
Girl, it just ain't right
Don't you think that I deserve
To hear you say goodbye?

That ain't no way to go
Was it all a lie?
After all this time

That ain't no way to go
Girl, it just ain't right
Don't you think that I deserve
To hear you say goodbye?

That ain't no way to go
Was it all a lie?
After all this time
That ain't no way to go
