I've been livin' on truck stop coffee, cigarettes and vitamin C

It's a wonder that the devil ain't caught me

I guess he's tired of playin' hide-n-seek

I've been drivin' like I'm struck by lightin'

I think about ya and I start to speed

I might as well be playin' with matches

In a truckload of gasoline

If it's the last thing I do

If it takes me from Tupelo to Timbuktu

If it's the last thing I do

I'm gonna dodge every roadblock, speed trap and county cop

To get my hands on you

If it's the last thing I do

Box of chicken and a day old biscuit

Ain't nothin' left but a few old bones

I outta stop but I'm gonna risk it

Caffeine got me chewin' Styrofoam

Girl I'm callin' out of Kansas City

From a fillin' station telephone

Just had to tell you what I've been thinkin'

First thing I wanna do when I get home

If it's the last thing I do

If it takes me from Tupelo to Timbuktu

If it's the last thing I do

I'm gonna dodge every roadblock, speed trap and county cop

To get my hands on you

If it's the last thing I do

Yeah I've been drivin' like I'm struck by lightin'

I think about ya and I start to speed

I might as well be playin' with matches

In a truckload of gasoline

If it's the last thing I do

If it takes me from Tupelo to Timbuktu

If it's the last thing I do

I'm gonna dodge every roadblock, speed trap and  
county cop  
To get my hands on you  
If it's the last thing I do

If it's the last thing I do  
If it's the last thing I do  
If it's the last thing I do

I'm gonna dodge every roadblock,  
Speed trap and country cop to get my hands on you.  
Dodge every roadblock,  
Speed trap and country cop to get my hands on you.  
I'm gonna dodge every roadblock,  
Speed trap and country cop to get my hands on you
