Sometimes I think about how lucky I am  
To live where I do and to be what I can  
And to know that you're mine when I'm holding you  
close  
And to never forget what matters the most, yeah

Yeah, I'm gonna run with the wind behind me  
Have fun when the sun is shining  
And stop when the world reminds me  
I got to take the time to pray

Fight for the right to be free  
Smile at what my children might be  
And live with you beside me  
Oh, till my dyin' day

As long as we are here, you know I'll always be there  
Yeah, if we're down to nothing we've still, sill got so  
much to share  
And I know I've been givin' so much more than I  
deserve  
I'm gonna live every day like it's my last, baby, I'll  
always put you first

I'm gonna run with the wind behind me  
Have fun when the sun is shining  
And stop when the world reminds me  
I got to take the time to pray

Fight for the right to be free  
Smile at what my children might be  
And live with you beside me  
Oh, till my dyin' day

I'm gonna walk on the road less traveled  
Yeah, sit tall in the saddle  
Know when I pick my battles  
Not to be afraid

Fight for the right to be free  
Smile at what my children might be  
And live with you beside me

Oh, till my dyin' day

Oh, I'm gonna run with the wind behind me  
Have fun when the sun is shining  
And stop when the world reminds me  
I got to take the time to pray

Fight for the right to be free  
Smile at what my children might be  
And live with you beside me  
Oh, till my dyin' day  
I'm gonna run
