Album: 8 Seconds

Oh, Iâ€™m like a bat outta hell out to shoot number nine
Well, Iâ€™m looking for eight, Lord, itâ€™s been along time
Iâ€™m tied to the hot seat in the heat of the battle
You gotta give it all you got just to stay in the saddle.

Yeah, Well I ride em high and ride em low
The only life for me is the rodeo
Gotta pot of gold waiting in every town
I gotta ride this horse down.

I got a one horse trailer, gotta a dually truck
Sheâ€™ll use a tank of gas, come on lady luck
I live high on the hog, I eat pork and beans
Lord, I sleep off the whiskey when I dream big dreams.

Oh, Well I ride em high and ride em low
The only life for me is the rodeo
Gotta pot of gold waiting in every town
I gotta ride this horse down.

--- Instrumental ---

Pretty girls slide through my heart like the wind
You know there ain't no future in cowboy men
Well, I can take a bull and I can take pain
Ain't gonna climb on board that old heartbreak train.

Yeah, Well I ride em high and ride em low
The only life for me is the rodeo
Gotta pot of gold waiting in every town
I gotta ride this horse down.

Yeah, I ride em high and ride em low
The only life for me is the rodeo
Gotta pot of gold waiting in every town
I gotta ride this horse down.

I gotta ride this horse down.

I'm gonna ride this horse down...

--- Instrumental & ad libs to fade ---
