She looks so good movin' cross the dance floor

Better than the day she left me

Arm in arm with somebody new

Holdin' hands and laughin' like we used to

I got my best smile on but it's no disguise

It don't hide the pain in these eyes

CHORUS:

I did her so wrong for so long

Turned my back on her love now she's long gone

I did my part to break her heart

She walked out on me and tore my world apart.

She used to be mine, Oh she used to be mine.

It's takin' every bit of strength that I have

To keep a hurt look off my face

I can't keep from lookin' back over my shoulder

At the lucky man takin my place

Oh, if it weren't for my pride I'd probably take off
runnin'

I guess what I'm feelin' is what I got comin'.

CHORUS

CHORUS

Oh she used to be mine, she used to be mine
