Baby, way gone for my sweet baby
So strong and I don't mean maybe
If I'm wrong then I don't know nothing
'Cause way gone for her sweet lovin'

Way gone she's my one and only
So long to sad and lonely
She waltzed into my world
Now way gone for my sweet girl, yeah

Oh if I'm half the man
My sweet baby thinks, I am
I guess, I better pack my bags
'Cause I don't plan on comin' back

Baby, way gone and I've crossed over
I'm lucky as a four leaf clover
I don't want nobody to save me
'Cause I'm way gone for my sweet baby, yeah

Oh if I'm half the man
My sweet baby thinks, I am
I guess, I better pack my bags
'Cause I don't plan on comin' back

Baby, way gone she's a one way ticket
Rock on gonna get down with it
Sweet lips and brunette curls
Yes way gone for my sweet girl

Way gone for my sweet baby
So strong and I don't mean maybe
If I'm wrong then I don't know nothing
'Cause way gone for her sweet lovin', yeah

Way gone for my sweet baby
Way gone and I don't mean maybe
Rock on time to get down with it
Way gone
Way gone
Way gone
Way gone
