Got a wife and two kids, all gathered around
A twenty pound turkey, snow on the ground
Who says there ain't no Santa Claus

Eric wants a glove, he tears into a box
His eyes are wide with wonder, I sit back and watch
Who says there ain't no Santa Claus

Well, I haven't heard a single reindeer running on my
roof
I just look into my children's eyes and there I see my
proof
And could it be that jolly old man riding in his sleigh
Is really just the kid in us on every Christmas day
Who says there's no Santa Claus

Molly gets a doll, Momma's camera clicks
Guess we all get the puppy, he's getting in his licks
Who says there ain't no Santa Claus

And I'm trying to read a card in crooked red and blue
The only part that really matters is, 'Daddy, we love
you'
Who says there ain't no Santa Claus

Well, I haven't heard a single reindeer running on my
roof
I just look into my children's eyes and there I see my
proof
And could it be that jolly old man riding in his sleigh
Is really just the kid in us on every Christmas day
Who says there's no Santa Claus

Well, I haven't heard a single reindeer running on my
roof
I just look into my children's eyes and there I see my
proof
And could it be that jolly old man riding in his sleigh
Is really just the kid in us on every Christmas day
Who says there's no Santa

Hey, I've heard there ain't no Santa Claus

But I know there's got to be a Santa Claus
