Connie came back for her second cousin's wedding  
First time she'd been home in a year or two  
Just in time for the rehearsal dinner  
That crazy Connie wasn't wearing any shoes

Yeah, she lives in L.A. she flies to New York city  
That woman's been around the world  
You can take the girl out of the honky tonk  
But you can't take the honky tonk  
Take the honky tonk, out of the girl

Well that dinner broke up at around eleven thirty  
The boys went out to do what boys do  
Connie said, "Hey girls let's huddle up  
Around something 'bout a hundred proof"

She lives in L.A. she flies to New York city  
That woman's been around the world  
You can take the girl out of the honky tonk  
But you can't take the honky tonk  
Take the honky tonk, out of the girl

Well at 9 a.m. out in front of that church  
People going nuts looking for the groom  
Somebody says, "Hey by the way where's Connie?"  
She's run off with that boy to Cancun

Yeah, she lives in L.A. she flies to New York city  
That woman's been around the world  
You can take the girl out of the honky tonk  
But you can't take the honky tonk  
Take the honky tonk, out of the girl
